## **PROJECTS**

### **Reverse Osmosis Desalination**

### **Sewage Treatment & Recycling**

#### **SEWAGE TREATMENT SYSTEMS:**

##### **Plants**

- **Municipal Sewage**
- **Industrial Sewage & Effluent**
- **Domestic Sewage**

##### **Lift Stations**

##### **Odour Control Units**

##### **Aeration units**

##### **Filtration / Polishing Units**

##### **Oil/Water separator units**

##### **Irrigation Filtration units**

##### **Refurbishment of old systems**

##### **Operation & Maintenance**

- **Systems**
- **Products**
- **Services**

***Towards a  
Greener & Cleaner  
Environment... Together.***

#### **DESALINATION SYSTEMS:**

##### **Reverse Osmosis**

- **Sea Water Desalination**
- **Brackish Water Treatment**
- **Treated Effluent Polishing**

##### **Filtration Units**

##### **Demineralization units**

##### **Softener units**

##### **Liquid Chlorination units**

##### **Gas Chlorination units**

##### **Activated Carbon units**

##### **Refurbishment of old systems**

##### **Operation & Maintenance**

**PRIME PRODUCTS**

**RO MEMBRANES / MBR / UF**

**We offer the following category products of premium brands :**

**RO ANTISCALANT & CLEANER**

**SPECIALTY CHEMICALS**

**FLOW METERS -**

**Electro Magnetic & Ultrasonic**

**Chemical Dosing Systems**

**RO Membranes**

**Membrane Antiscalant/Cleaners**

**Electromagnetic Flow meters**

**Ultrasonic Flow meters**

**Sewage/Dewatering Pumps**

**Submersible Aerators**

**Cartridge Filters & Housings**

**Multi Media Filters**

**Media for Filters**

**Softeners**

**Demineralizers**

**Measurement Instruments**

**Irrigation Filters**

**Air Blowers**

**Ultra Violet Sterilizers**

**High Pressure Pumps**

**Glass Fused Steel Panel Tanks**

**Membrane Diffusers for Aeration**

**RO Pressure Vessels**

**SOFTENERS, DM PLANTS, FILTERS**

**GLASS FUSED STEEL PANEL TANKS**

**ULTRA VIOLET STERILIZERS**
